

Bc. Marek Krejčík

CHIEF OPERATING OFFICER (COO) | HEAD OF PRODUCTION | SOFTWARE & BROADCAST ENGINEER

Brno / Ivančice, Czechia • Tel: +420 608 665 554 • Email: krewca@gmail.com • Web: krewca.cz • LinkedIn: linkedin.com/in/marek-krejcik

EXECUTIVE SUMMARY

Results-driven Operations & Technical Leader with 8+ years of leadership spanning executive management (COO/CPO), software engineering, broadcast architecture, and product delivery. Proven track record of scaling national esports ecosystems (growing League of Legends ERL from 6 to 20+ teams), directing cross-functional teams (20+ direct reports), and architecting custom live streaming & automation software (Python, C#, C++, Docker, CI/CD). Delivered over 8,000+ hours of live broadcast output. Experienced in military defense software engineering (Honeywell Avionics) and AAA game development team management (MADFINGER Games - Gray Zone Warfare). Expert in high-stakes live event execution, strategic partner management (Riot Games, ESL, Mastercard, KIA), and end-to-end technical production.

CORE COMPETENCIES & TECHNICAL STACK

Executive & Operations:	Operations Management (COO/CPO), Strategic Planning, Cross-Functional Team Leadership (15–20+ direct reports), Budgeting, Partner Relations (Riot Games, ESL, Mastercard, KIA), HR & Mentoring.
Software Engineering & DevOps:	Python, C, C++, C# (.NET, Unity Engine), JavaScript (Node.js), SQL (MySQL), Docker, CI/CD Pipelines, Conan, Git, Linux / Bash Shell, Google Apps Script, REST APIs.
Product & Project Management:	Product Backlog Management, Agile / Scrum, Cross-Departmental Management (Gameplay, Backend, UI, Marketing), Automation Architecture.
Broadcast Tech & Esports:	Live Event Broadcast Engineering (8,000+ hours produced), vMix Production, Overlay Software Development, In-Game Camera Observation (Riot Games EU LCS), Event Infrastructure (30+ offline events managed).

PROFESSIONAL EXPERIENCE

Head of Esports / Head of Production (COO / CPO)

06/2017 – Present

Hitpoint s.r.o. | Brno / Svitavy, Czechia

- Executive Operations & Partner Liaison: Acted as Chief Operating Officer (COO) and primary strategic contact for Riot Games in Czechia and Slovakia for League of Legends (LoL) competitive operations.
- Ecosystem Scaling: Developed and scaled the regional LoL competitive scene from 6 stable teams to 20+ professional organizations across Mastercard Hitpoint Masters (ERL), 2nd Division, and KIA 3rd Division.
- Team Leadership & Broadcast Production: Led cross-functional broadcast teams (~15 members online, ~20 members arena offline) across 20+ offline events managed and 8,000+ total broadcast hours.
- Software Development: Programmed custom broadcast overlay software, automated graphics systems, and real-time streaming tools.
- Operational Execution: Managed HR, newcomer training programs, rules enforcement, marketing execution, and commercial partnership management.

Senior Esport Broadcast Technical Designer

10/2021 – Present

EksDee s.r.o. | Brno, Czechia

- Technical Design & Innovation: Architected bespoke broadcast software solutions, custom overlays, and stream workflows for streaming agency under streamer Xnapy.
- Event Infrastructure Execution: Spearheaded technical stream design for key regional broadcasts: PGL Major 2021 CZ/SK Stream, Prague Champs, Teamfight Tactics CZ/SK Championship, ROG For People, TFT Star Cup, and KitKat Dodgeball.

Engineering & Product Manager (GameDev)

07/2022 – 07/2023

MADFINGER Games a.s. | Brno, Czechia

- Cross-Functional Team Management: Managed Gameplay, Backend, UI/Animation, and Marketing teams for the hyper-realistic tactical PC FPS game Gray Zone Warfare.
- Product Backlog & Process Automation: Designed and maintained automated product backlog management systems integrating REST APIs, Python, and Google Apps Script (Node.js).

Software Engineer – Military Avionics

02/2021 – 06/2022

Honeywell International | Brno, Czechia

- Avionics Software Engineering: Developed mission-critical military avionics software adhering to strict defense standards.
- DevOps & Infrastructure: Maintained CI/CD pipelines, Docker container environments, Conan C/C++ package management, and supportive automation tools on Linux systems.

Esport Consultant & Broadcast Co-Director

07/2018 – 08/2018

MADFINGER Games a.s. | Cologne, Germany / Brno, CZ

- Spectator Mode Architecture: Consulted and co-designed in-game spectator mode functionality for mobile tactical shooter Shadowgun WarGames.
- Live ESL Stage Directing: Co-directed and acted as main observer for Shadowgun: The First War Game tournament on the ESL Main Stage at Gamescom 2018.

Esport Broadcast Producer, Observer & Event Admin

10/2015 – 11/2021

PLAYzone s.r.o. | Prague, Czechia

- Live Event Production: Produced live esports broadcasts for Slovak Republic PC Games Championship, Prima COOL Finals, and Czech Republic PC Games Championship (2018–2021).
- In-Game Observation & Staffing: Served as lead in-game camera observer (LoL, CS:GO, PUBG) across 20+ esports tournaments and managed tournament operations at 30+ offline events.

EU LCS Live Action Observer

02/2018 – 09/2018

Riot Games | Berlin, Germany

- Global Broadcast Observation: Served as live action in-game camera observer for the European League of Legends Championship Series (EU LCS Spring 2018) in Berlin studio.

Sales Representative

08/2016 – 07/2018

Českomoravská Stavební Spořitelna a.s. | Ivančice, Czechia

- Client Advisory & Sales: Managed client portfolio, financial advice, and sales consulting for ČMSS financial services.

Project Manager

10/2015 – 07/2017

Wangl Championship | Ivančice, Czechia

- Event Organization: Coordinated regional esports tournaments and technology community events.

EDUCATION

Bachelor's Degree (Bc.) in Information Technology

09/2014 – 07/2020

Brno University of Technology (BUT), Faculty of Information Technology | Brno, Czechia

- Bachelor's Thesis: 'Generating information graphics for live broadcasts' – Developed automated real-time graphic overlay generation systems for live video streaming. ([Thesis Link](#))

High School Diploma

09/2006 – 05/2014

Jan Blahoslav Gymnasium | Ivančice, Czechia
